Busy Being Brilliant!

@LaceyFieldLouth

Hello to all of our LaceyField families,

I hope that our October Newsletter finds you safe and well. We are already into our fourth week back at the academy and what a four weeks it has been. We've started some cracking curriculum projects, we've had real-life assemblies, mastery maths, wonderful writing and 'Run for Cake'.

Last Friday was just spectacular! It was brilliant to see families back in school enjoying the event with our children. Not only that, we raised over £1000 for the charities we were collecting for. Your generosity is greatly appreciated. Thank you from the bottom of my heart for making the event such a success both for fundraising and as a wonderful family experience for our children.

As this term progresses, we are cautiously returning to our old routines. You can expect lots of events as the weeks go by including, parent consultation day, Hello Yellow, reading morning, Autumn parties and much more!

After two years of inconsistent education for our little ones, it is more important than ever that our children are in school. Please help us by getting them here and on time as much as possible.

Finally, I would like to say a big thank you for your kindness and patience over the last week. As I said in my letter, we are short-staffed at present so we really appreciate your understanding and kind words at this time.

Have a wonderful weekend and we will see you bright and early on Monday.

Emma Beveridge
Executive Principal

#HelloYellow

After the past couple of years, the world has become even more aware of just how important positive mental health is for all of us. You can help us to continue spreading this awareness on World Mental Health day - Friday 8th October by wearing something yellow if you wish to. Any donations on this day will go to YoungMinds, and you can find more information at...

<https://www.youngminds.org.uk/support-us/fundraising/helloyellow/>

Run for cake

Thank you to everyone who supported our Run for Cake event, raising money for two wonderful charities. Just on the cake and raffle alone we raised over £600, and the grand total was over £1000! It was lovely to see so many of you in person joining in, and we look forward to welcoming you to many more events this academic year.

Bee in school

We know that sometimes our children get poorly, however we have noticed a significant decline in attendance and we need your help to improve this. If you are having problems with attendance or punctuality, please get in touch with our family support team.

Key Dates - Autumn Term 1

October

Friday 8th October - World Mental Health Day (wear something yellow)

Thursday 14th October - Y6 Sleepover

Friday 15th October - Break Up (Normal Finish Times)

You said, we did...

Last year, you gave us some wonderful feedback on how we communicate with you, and the many ways you can get in touch with us. Something you told us you'd like to hear more about is what your children are learning. Just in case you haven't seen it yet, this can be found on our website in the curriculum tab. Here, you'll find a project overview so you can see what project your child is currently learning about, and a knowledge organiser with some key facts and knowledge which will help them succeed in their project. Thanks for the feedback, we hope you like what we've done!
