

### Literacy

Our focus books this term are:

### Maths

We will be learning more counting up and down nursery rhymes and songs

We will applying what we know about 1,2 and 3

We will be learning about number 4 and 5.

We will continue to practice our careful counting

We will be linking numerals to amounts

### Communication and Language

We will be learning new words and their meanings. We are going to understand and answer why questions. We are going to learn and practice saying words with more than one syllable, e.g. Daffodil, potato. We will also be continuing to have a focus sound each week.

### Physical development

We will continue to develop our range of skills in gross motor development. We will explore a range of different movements. We will also continue to develop their fine motor skills by using one-handed tools and equipment, planting and digging seeds. We will also be developing strength to develop grip and hand dominance.

### Understanding the World

We will be focusing on the topic 'growing'. We will be planting our own seeds and observing how they change. We will also learn about life cycles and look at the different stages of life for a living thing.
