## Our 'why', ethos and vision

LaceyField is a place where relationships and wellbeing are the foundation of our educational offer. The 'just cause' that we all work towards every day is to enable everyone (staff and children) to become the best version of themselves; achieving optimum happiness and success for life. We believe that if we saturate our staff team with equal amounts of professional challenge, care, CPD and support they will be well and this will ripple out to our children.

## The vacancy

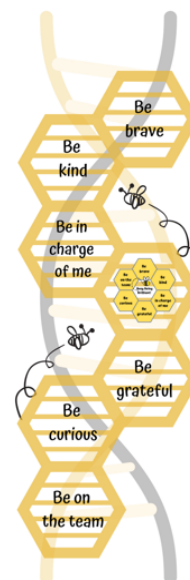

We are delighted to advertise a teaching vacancy to begin in September 2022. If you are ready to take on a new and exciting opportunity to teach with bravery and kindness, I invite you to join the team at LaceyField. This is an opportunity for ECTs or experienced teachers, and year group placement is flexible.

## The story of LaceyField

In September 2019, we (Eastfield and Lacey Gardens academies) started our journey working together as LaceyField. As a team we built one values-led culture. The staff and children at our academy work hard on our mission to be *'Busy Being Brilliant'*. We do this using our BEEhaviours for learning and life; be brave, be kind, be in charge of me, be grateful, be curious and be on the team.

As the Executive Principal, I am passionate about creating greatness in the team around me, in order to achieve greatness for the children in our care. If your intrigue has been sparked and this ethos resonates with you as a professional, then I welcome you to apply. Please read the information on the website and the Wellspring Trust website. Please get in touch using the details below and good luck with your application.
