

## Music - Long term overview

For music, we use the Music Express scheme. The units for each year group are listed below and the numbers correlate to the unit order on the Music Express website which can be accessed by signing in at <https://connect.collins.co.uk/school/Portal.aspx> Usernames are first initial and surname e.g. bknowles and passwords are set up individually.

Music sessions should be roughly 30 minutes with each unit having 3 or 6 sessions in it. Year group teams are free to choose to deliver half an hour of music weekly, or whether to block sessions together.
