

LaceyField curriculum overview

| | | | |
|------------------------------|----------------------|---------------------------------|------------------------------|
| Year group | 1 | Term | Autumn |
| Overarching question: | How did we get here? | Trip, visit or visitors: | Visit from the fire service. |

What will we be learning?

As Historians, we will –

- Explain how methods of transport have changed over time.
- Understand how safety features have changed on a fire engine.
- Understand how boats have made it easier to transport goods.
- Understand how changes in transport have made life easier for farmers.
- Match historical objects.
- Use different sources to answer questions and we will begin to distinguish between fact and fiction.
- Use appropriate historical vocabulary to spot old and new things in a picture.

As Geographers, we will –

- Be able to name the town we live in.
- Locate where we live on a map of the United Kingdom.
- Explain where I live and tell a safe adult my address.
- Name key features associated with my town.
- Describe some human features of my locality.
- I can answer some questions using different sources such as books, the internet and atlases.

As Scientists, we will –

- Observe seasonal changes across the Autumn term.
- Observe and describe the weather associated with Winter/Spring.
- Observe and describe the changes that take place in summer.
- Perform simple tests to gather and record data.

As Artists, we will –

- Record simple media explorations in a sketchbook.
- Begin to control the types of marks that we make.
- Draw on different surfaces with a range of media.
- Use a variety of drawing techniques such as: hatching, scribbling, stippling and blending.

As Musicians, we will –

- Explore rhythm and tempo through the themes of ourselves, our bodies, travel and machines..

In PE, we will –

- Continue to develop our physical and coordination skills with the help of our teachers.
- Explore balance, stability and landing safely.
- Explore how our bodies move differently when running at different speeds.
- Explore changing direction and dodging.
- Develop our hopping, jumping and skipping actions.
- Develop our rolling and throwing skills using a ball.
- Develop our throwing and catching skills over a short distance.

In Computing, we will –

- Explore technology around us.
- Explore digital painting.

In RE, we will -

- Explore Islam.

In PSHE, we will –

- Explore our dreams and goals.
- Identify our successes.
